

Confirmation of GMO, BSE Free and Wholesome
Alaska Salmon Oil Produced on the
Processing Barge Alaskan Venturer

January 1, 2006

Re: GMO and BSE Free Alaska Salmon Oil Assurance from Alaska Protein Recovery

To Our Valued Customers:

This letter serves as our guarantee that the Alaska Salmon Oil manufactured on the processing barge Alaskan Venturer is GMO and BSE free.

We certify that all of the raw material we use for our salmon oil production is coming from free swimming Alaska Salmon and that wild Alaska salmon, to the best of our knowledge, is GMO and BSE free.

Sincerely yours,
